## School District of Monroe

Street Address	District Administration Center 925 - 16th Avenue, Suite 3 Monroe, WI 53566	Contact Name	Craig Jefson
Mailing Address	District Administration Center 925 - 16th Avenue, Suite 3 Monroe, WI 53566	Phone	(608)328-7117
Profile	The School District of Monroe is a K-12 student-centered school system dedicated to providing each child with a broad array of academic and cocurricular programs that will prepare him or her to succeed academically, technologically, physically and socially.		

The district serves more than 2,677 elementary, middle and high school students. Classroom sizes average 20 students per teacher. A teaching staff of 271 and 196 administrative and support personnel are dedicated to creating a climate of high expectations for all students and ensuring academic excellence in all subject areas. The underlying goal of every class is to provide each student with the opportunity to achieve his or her potential through a superior education, continually preparing them for the next step in their academic lives.

Our curriculum is broad-based, reflecting an interest in the academic, social, emotional, artistic and physical development of each student. The district views education as an experience best served by the coordinated efforts of parents and schools.

The School District of Monroe encompasses three elementary schools, one middle school, one high school, an alternative charter school serving grades 9-12, and an independent virtual charter school. Included within these schools are a state-of-the-art performing arts center, an auditorium, a greenhouse, seven gymnasiums, a 400-meter eight-lane track, a football field, tennis courts, a baseball field, and several playgrounds.

## TECHNOLOGY EDUCATION TEACHER (CONSTRUCTION TRADES)

Date Posted	10/01/04
Description	<p>This is a full-time teaching position available at Monroe High School beginning in the fall of 2005. The position will entail teaching five hours per day with one preparation period, one supervision period, and one professional period during an eight-period school day that runs from 8:05 a.m. until 3:19 p.m. The teacher will be teaching in a progressive six-person department. The job will specifically involve teaching a three-hour construction trades capstone course (on-site building of a home) and two sections of construction trades exploratory annually, along with a full-year architectural design course. The contract will include a three-week paid summer extension to conduct the development and planning necessary for the upcoming home construction. Monroe's capstone program is a well-established, thirty-year program with a very promising future. It is the intent of the technology education department for this teacher to be the primary construction management expert within the department.</p> <p>The teacher will be responsible for providing an environment that affords the opportunity for the education and development of all students to their highest potentials at all levels of their education in partnership with family, community and business. The teacher will be an active participant in the shared decision making processes established in the individual buildings and district.</p>
How To Apply	Submit required materials to: Craig Jefson, Principal, Monroe High School, 1600 - 26th Street, Monroe, WI 53566, 608-328-7127 (phone), 608-328-7230 (fax), <a href="mailto:craig.jefson@monroe.k12.wi.us">craig.jefson@monroe.k12.wi.us</a> by 4:00 p.m. on November 5, 2004
Requirements	Letter of application, resume, certification, transcripts and three letters of reference
Qualifications	Must have a minimum of 2,000 hours of work experience in the construction trades or hold a State of Wisconsin vocational certification in construction; must have experience in designing (CAD), estimating, planning and scheduling construction of residential homes; must be appropriately certified by the Wisconsin Department of Public Instruction; must possess the ability to work effectively with students, parents, colleagues and the general public; must be able to carry out responsibilities in a satisfactory manner
